WRITE FOR US

At Online B2B Digital Technology, we're looking to produce more high-quality, educational blogs geared toward leaders in this industry. We're not looking for blogs that introduce readers to the basics of digital marketing. We're looking for advanced and in-depth proven experts in the field who can teach us a thing or two. We practice digital marketing every day and we still want to learn from you.

Do you consider yourself an innovator or thought-leader? Have you scored some amazing accomplishments in the field of digital marketing this year? If that's you, show us how you did it. Write about your stunning conversion rates, your success with real-time bidding, or other areas where you could be considered an authority on the subject.

Local Seo

National Seo

Social Media Optimization

Social Media Marketing

LOCAL SEO

What is Local SEO, and How Does It Work?

Learn how Google works with local sites with this guide to local SEO and start optimizing your website for local search results to grow your business.

Local SEO is a search engine optimization (SEO) strategy that helps your business be more visible in local search results on Google.

NATIONAL SEO

What is National SEO, and How Does It Work?

National SEO is an organic search marketing strategy that focuses on promoting your business's website to rank for broad highly-searched keyword terms nationwide or at a national level. The ideal result is your site ranks at the top of the search results when someone types one of these keywords into a search engine.

Did you know that the #1 position in Google search results has a 34% click-through rate?

SOCIAL MEDIA OPTIMIZATION

What Is Social Media Optimization (SMO)?

Social media optimization (SMO) is the use of social media networks to manage and grow an organization’s message and online presence. As a digital marketing strategy, social media optimization can be used to increase awareness of new products and services, connect with customers, and mitigate potential damaging news.

Social Media Optimization

SOCIAL MEDIA MARKETING

Social Media Marketing for Businesses

Social media marketing is the use of social media platforms and websites to promote a product or service. Although the terms e-marketing and digital marketing are still dominant in academia, social media marketing is becoming more popular for both practitioners and researchers.
